

## Private Pilot Part 141

Below is a cost breakdown for the minimum Federal Aviation Regulations requirements for the private pilot certificate.

**\*Disclaimer\***

Please note that these are the **MINIMUMS!** These are not realistic prices for students to expect. We post them for your information and comparison.

Jetstream Aviation estimates **include everything** you need to complete your certificate. There is no additional cost to you. Our student **graduation average is 41 hours**, and that is what our estimates are based on. The national student average is 75 hours.
